RUGS AND TAPESTRIES – BUENOS AIRES

egido.

A textile design studio based in Buenos Aires, making unique pieces for the home.

Rugs, tapestries, cushions and throws handmade with natural and noble materials: sheep wool felt, craft dyed, cotton canvas and girths, and green priming.

Our hallmark is the intense manual labor that is visible on each piece,
on every detail and all those perfect imperfections.

RUGS AND TAPESTRIES – BUENOS AIRES

MODULAR RUGS

Design Leandro Egido

The structure and expression of this carpet are based on the design of a punched piece that repeated thousands of times generates a thick, fluffy and textured textile. It is produced in a color, gradient or combination of colors, melange and striped.

Materials: Sheep wool felt, cotton canvas and green priming.

Construcción: handmade with small wool felt pieces, craft dyed in several colors from our catalogs.

Sizes: standard or customized.

Shapes: rectangular, regular or with its endings sttagered following the pieces drawing. No measures limits.

FLORAL RUGS
egido.
RUGS AND TAPESTRIES – BUENOS AIRES

FLORAL RUGS

Design Leandro Egido

A simple geometric pattern gives rise to these irregular carpets with organic appearance. The play of colors in the blanks of wool felt accentuates its plant image.

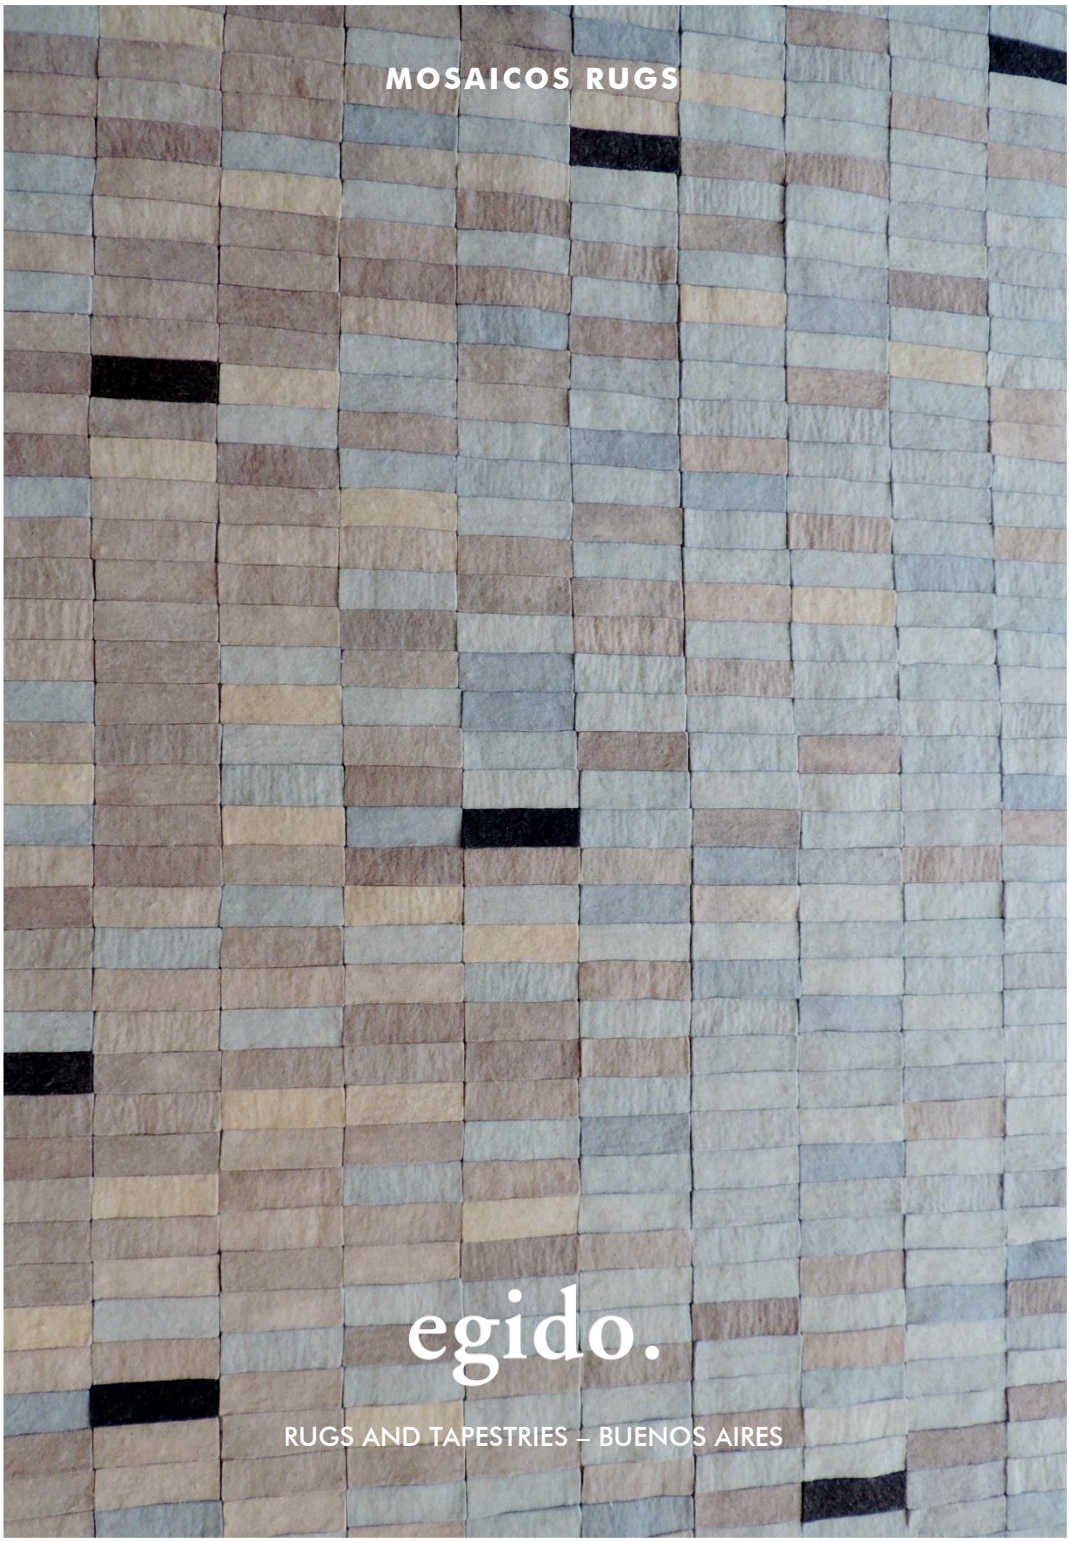

Materials: craft dyed sheep wool felt and cotton canvas backing.

The making: Punched pieces are connected together and then glued to a cotton backing.

Sizes: both standard or customized shapes Baroque silhouettes gives these rugs a nice irregular look.

MOSAICOS RUGS
egido.
RUGS AND TAPESTRIES – BUENOS AIRES

MOSAICOS Rugs
Design Leandro Egido

Wool felt pieces are used like tiles to create several different patterns at these Mosaicos Rugs. The result is a colorful, soft and smooth surface rug.

Materials: Sheep wool felt pieces, cotton canvas and green priming glue.

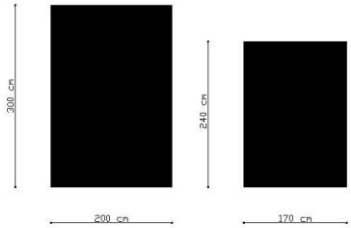

The making: once the felt pieces are cutted and dyed, they are glued to a backing canvas with a green priming. Just like tiles an ancient floors but with very traditional textile materials.

Sizes and shapes: standard or customized.
Rectangular, regular or with its endings sttagered following the pieces drawing. No measures limits.
